CAREER OBJECTIVE

Motivated Computer Science graduate specializing in Artificial Intelligence and Data Science with hands-on experience in Python, Machine Learning, and Deep Learning. Eager to develop scalable AI solutions and contribute to impactful projects in data-driven and research-oriented environments.

EDUCATION

Bachelors of Technology Computer Science and Engineering In (Artificial Intelligence & Data Science) Guru Nanak Institute of Technology, Ibrahimpatnam	Dec 2021 - June 2025 CGPA: 7.38
Intermediate (MPC) or 12 th NRI Jr College, Bachupally	June 2019 - May 2021 Percentage: 92.8
Secondary Education (SSC) or 10 th TSMS Kulakacharla	June 2018 – May 2019 CGPA: 9.0

TECHNICAL SKILLS

- **Programming Languages:** Python, Java
- **Web Development :** HTML, CSS, JavaScript, Bootstrap, Node JS
- **AI & ML :** Machine Learning, Deep Learning, Supervised & Unsupervised Learning
- **Libraries:** NumPy, Pandas, TensorFlow, OpenCV, Scikit-learn
- **Tools:** Git & GitHub, VS Code
- **Databases:** SQL

WORK EXPERIENCE / INTERNSHIPS

- **AI/ML Intern – Centre for Development of Advanced Computing (C-DAC), Thiruvananthapuram** (Present)
Exploring deep learning approaches for Gloss-to-Pose translation for Indian Sign Language (ISL).
Collaborating with technical teams on research-oriented projects.
Gaining hands-on experience in developing AI-driven solutions for practical applications.
- **AI-ML Internship by Google for Developers, AICTE** (Oct 2024 – Dec 2024)

PROJECTS

LOW LIGHT IMAGE ENHANCEMENT

- Developed a Python-based image enhancement system to improve the quality of nighttime roadside images for intelligent transportation applications.
- Implemented a bidirectional area segmentation-based inverse tone mapping technique to correct low visibility and color distortion in low-light conditions
- Built a Flask-based web application to enable user-friendly interaction and real-time image enhancement processing.

AI DOCUMENT ASSISTANT | STREAMLIT, OpenAI GPT-4, PYTHON

- Built a web-based AI assistant for document analysis with contextual Q&A and auto-summarization.

CERTIFICATIONS& ACHIEVEMENTS

- Programming Foundations with Python. (Cisco Networking Academy)
- Certification in Web Development. (IBM SkillsBuild)
- Certification in Introduction to Data Science (Cisco Networking Academy)
